

IAJHSC HONOR COUNCIL APPLICATION

The IAJHSC Honor Council Award gives special recognition to those schools that have designed exemplary programs for their junior high/middle school Student Councils. "Exemplary" is defined as participating in IAJHSC programs and sponsoring activities in each of the areas listed below. Please see the description of this award in the IAJHSC Advisor's Resource File on the website for examples of activities designed to meet the goals in the specific areas of the Honor Council Program.

To be eligible for this award, schools must have a minimum of **seven (7) points** in the IAJHSC participation category and must complete 3 projects in each of the other categories listed below. If your school has completed more than the required number of projects in each category, it would be appropriate to list these also. The last page of the application provides space for additional projects to be listed. All applications will be carefully screened. Projects may or may not be accepted.

This application should be completed on the basis of participation in IAJHSC programs and completion of activities by your Student Council from **State Convention 2016 to State Convention 2017. In addition, to be eligible for this award, schools must submit an article for the IAJHSC website by March 10, 2017.** A copy of the *confirmation email* showing receipt of the student-written article must be included with this application.

Please contact your IAJHSC District Adult Director if you have questions about the completion of this Honor Council Award application.

1. A minimum of 7 IAJHSC participation points
2. Proper documentation of IAJHSC participation
3. Required number of projects in each category
