

Let It Be Us is a non-profit organization whose mission is to inspire foster care adoptions. In Illinois alone, 18,000 children are in the foster care system. Let it Be Us provides resources and opportunities for foster children to find families and make memories they won't ever forget.

Let it Be Us runs a summer camp program where kids select an overnight or day camp to attend. Let it Be Us sponsors children and pays expenses for entry fees and supplies if the camp is overnight (bug spray, sleeping bag, etc).

Giving children the chance to attend camps provides them with the opportunity to create strong bonds and relationships, something they aren't often able to do in foster care. Our IAJHSC donation will go directly towards supporting the camp program by providing funds for entry fees and supply costs.

Foster kids don't get to experience as enjoyable a childhood as most children do. When they attend summer camp they have the chance to make friends and memories they'll hold on to for the rest of their unwritten story.

So, let's support these kids in creating a happy narrative.

For more information on how to help, please visit letitbeus.org or contact Susan McConnell at 1-847-764-LIBU
