

Dear IAJHSC Members,

We hope you've all had an enjoyable back to school season. As you may know, the IAJHSC Executive Board has just finished up with our Fall Executive Board meeting. We went over a lot, and we're very excited to share all of it with you.

One of the most important things to us is the selection of this year's IAJHSC State Service Project. Big Brothers Big Sisters of Illinois is a volunteer-run, non-profit organization providing adult volunteers ("Bigs") to work with children ages 6-18 ("Littles"). Located in over ninety counties throughout Illinois, "Bigs" provide "Littles" with adult role models that can help them with a variety of things, such as completing their schoolwork, working through personal issues, providing opportunities for social events, or just having fun with a trusted companion.

Every child needs someone with whom he or she can relate. Many children don't have older siblings or a strong role model in their lives. Big Brothers Big Sisters of Illinois can help provide children with these role models. We like to think of the IAJHSC as a supportive family. It saddens us to think that some kids don't have positive role models in their lives. Big Brothers Big Sisters of Illinois allows children to experience a feeling of unconditional acceptance. The IAJHSC is very excited to support this charity. We hope you all give your support for this amazing cause.
