

Our State Service Project is...
The Sheilah A. Doyle Camp

The purpose of the camp is to send children that have lost a parent or a sibling to homicide. Their mission is to give children affected by homicide a hope for a brighter future.

The money raised will help kids (ages 7-17) in Illinois who are having trouble coping with their loss and find a way to a brighter future by attending this summer camp staffed with volunteers who empower the youth with the navigation tools to cope with their grief and enjoy life's incredible adventure.

For more information on how to help, please visit www.sadfund.org or contact the founder, Mr. Kevin Doyle, at 708-546-4932 or email at kevin@sadfund.org.

“Unmask the Super Leader in YOU” and join the IAJHSC in raising money for this very worthwhile cause. Let's work to make this year's State Service Project a *super* effort and one of the best projects ever!!

Sincerely,
IAJHSC District Representatives 2017 – 2018
