

IAJHSC HONOR COUNCIL APPLICATION

The IAJHSC Honor Council Award gives special recognition to those schools that have designed exemplary programs for their junior high/middle school Student Councils. "Exemplary" is defined as participating in IAJHSC programs and sponsoring activities in each of the areas listed below. Please see the description of this award in the IAJHSC Advisor's Resource File on the website for examples of activities designed to meet the goals in the specific areas of the Honor Council Program.

To be eligible for this award, schools must have a minimum of **six (6) points** in the IAJHSC participation category and must complete 3 projects in each of the other categories listed below. If your council has completed more than the required number of projects in each category, it would be appropriate to list these also just in case other listed activities/projects are not accepted. The last page of the application provides space for additional projects to be listed. All applications will be carefully screened.

This application should be completed based on participation in IAJHSC programs and completion of activities by your Student Council from **State Convention 2018 to State Convention 2019**. **In addition, to be eligible for this award, schools must submit a student written article for the IAJHSC website by March 8, 2019**. *A copy of the confirmation email showing receipt of the student-written article must be included with this application.*

Please contact your IAJHSC District Adult Director if you have questions about the completion of this Honor Council Award application.

<p>To be processed, an application must contain:</p> <ol style="list-style-type: none">1. A minimum of 6 IAJHSC participation points2. Proper documentation of IAJHSC participation3. Required number of projects in each category4. The purpose of, description of, and evaluation of each listed project5. All required signatures on first page of application <p>*** An application which does not contain all of the above will be rejected. ***</p>
--
