

IAJHSC Leadership Summit Executive Board Workshop

This year Rankin hosted the 2nd Leadership Summit for the IAJHSC. This took place on September 13, 2019 from 4:30-8:00.

What Is It?

The Leadership Summit is for only Executive Board members (President, Vice-President, Secretary, Treasurer, and Committee Chairs). It is set-up as a refresher course for each of those positions as well as a place to learn other important skills executive board members need to help make their student council successful.

When?

The goal is for the Summit to be held at the end of September, once all student council elections have been done and the year is getting started.

Details from the 2019 Leadership Summit:

- 10 Schools in Attendance
- 64 Student Delegates
