

Dear IAJHSC Members,

We hope that you have been raising both awareness and money for *Make-A-Wish* Illinois. We know that everything you raise makes a huge impact on kids' lives. Hopefully, you have been enjoying the weekly wish videos that have been sent out. Many kids are helped by *Make-A-Wish* Illinois, such as Arlene.

Arlene was 4 when she was diagnosed with a brain tumor. She wanted to be a princess due to her love for Disney movies. *Make-A-Wish* helped make her dreams come true. A limo took her by the Chicago Fire Department to the Macy's on State Street. There she was greeted with a red carpet, a dashing prince, and subjects to make her day filled with majestic surprises. She got some extra sparkle from the makeup department and a personal shopper for her royal wardrobe. Overall, it was the perfect day, and we hope to make more perfect days for these kids in need.

In order to do this, we would like to offer some fundraising ideas:

- Partnering with local restaurants so part of your bill goes towards the organization
- Pledge challenges where for a certain amount of miles run/walked, or bowling pins knocked down, the pledger donates a certain amount of money towards the cause
- Bake sales

- Dog walking
- Paint night
- Lock-in
- Chili Supper

If you or your school has any more ideas, send them to your district rep, so they can be included in our upcoming newsletters. Be sure to check the IAJHSC website to see the graphic (shown below) showing the funds raised grow! Your Advisor can also find the remittance form needed to turn in your final donation if they click on “more information” under the graphic!

Make-A-Wish Illinois has been happy to partner with the IAJHSC. Let’s show them our support!
