

Variety of Illinois has been chosen as your State Service Project! That means any money you raise for the IAJHSC State Service Project will allow Variety of Illinois to help children across Illinois have their dreams come true!!

What is Variety you ask? Variety is a non profit organization that helps disabled children get the equipment that insurance doesn't pay for and the experiences to live a full, normal, and happy life!

They have many programs including Variety@Play where they help children experience mobility with the help of horses that are trained, special equipment, and other animals and equipment! Kids On the Go that provides adaptive bicycles, sports wheelchairs, and customized strollers. Live to Achieve a program which encourages involvement in adaptive sports.

Their slogan is Be Active, Be Social and Belong! The IAJHSC can relate to this with our Work Hard - Play Hard attitude! Together we can achieve more! Check them out at varietyofillinois.org!

Why not earn an Honor Council point and donate by the March deadline!
