

Lights, Camera, Leadership!

Northwest District

Chadwick Junior High School
Chadwick, IL

Grades 4-8

Enrollment: 205

Student Council Advisor: Mrs. Katie Wilkinson

Mascot: Streak

School Colors: Red, Black

Chadwick has been working hard this year to improve their leadership skills. At every meeting, which occurs bi-monthly, we discuss upcoming events and our ideas. Our president leads us and our advisor adds details. Every month we have a hat day and at home games we have concessions to raise money for our student council. We also have school dances, quarterly events, and St. Patrick Day cookie sales. We also ask students about their ideas in petitions to continually improve our student council. During spring break, we attended the IAJHSC Convention in Springfield. We all learned many things about leadership and teambuilding through this event.

As a student council, our main goal is to improve our students, our school, and our community. We try our best to provide rewards for our outstanding student's hard work. If they did not have a failing grade or detention during the quarter, students may attend the quarterly event. Quarterly events are fun activities at the end of each quarter for qualifying students. Activities for these in the past have

been dodge ball tournaments, movie matinees, roller skating parties, and field days, to name a few. To improve our school, we volunteer ourselves to do tasks for teachers and faculty. We are in the process of planning a teacher appreciation assembly to be held during Teacher Appreciation Week to honor all of the great teachers in our building. To improve our community, we had a pop-tab drive to support the Ronald-MacDonald House. We are currently very active in our community and it influences us to do better.

Overall, student council at Chadwick Junior High is a very popular and positive extra-curricular activity that all members enjoy. This organization really makes our school a great place to be!
