Before taking this position. I would like to say thank you to our one and only 2023-2024 district representative, ALI ISSA. Ali did an outstanding job for our district. He did all his duties making this a successful year. Thank You Ali for everything you have done for this district

STATE CONVENTION

We had a blast at the 65th annual IAJHSC state convention. We learned about leadership, learned from guest speakers and met new people.

Guest Speakers

JESSE LEBEAU

Jesse LeBeau is a professional basketball trick artist he told us about his journey. He also taught us never to give up and that attitude is everything.

MATT MATKOVICH & PHIL JANUSZEWSKI

Matt Matkovich is a high school guidance counselor and Phil Januszewski is a high school chemistry and physics teacher. Together they do M&P which came from their passion for public speaking. They teach us that awkward situations come and go. You should always be yourself and do what you want to. They even did an activity called the M&P Awkward Olympics to showcase awkward situations

Summer Leadership Camp

Summer Leadership Camp is an amazing opportunity. You get to enjoy 1 week of learning about leadership and meeting new people. Registration is closing soon, so sign up to reserve your spot for camp during June 26-29.

STATE SERVICE PROJECT

This year our State Service Project was Our Military Kids. We did an amazing job raising a total of **\$13,456.73**

Remember to collect pop tabs over the summer. Let's make this the biggest collection year yet

2024-2025 IAJHSC theme

As a district representative, I pick the next year's leadership theme.
